Services were postponed in July.

Te Atatu Union Church advised in late June they were renovating the kitchen, lounge and toilets. These areas were not to be used while being renovated.

The committee decided to cancel our services.

We have been advised that the renovations will be finished in August so services will restart.

Bible translated into Mongolian Sign Language

In Mongolia, there are 10,000 to 12,000 Deaf people.

Mongolian Deaf have very low schooling, many Deaf can not read or write so can not read the Bible. The Book of James is now in Sign Language and the team is working on other books of the Bible.

The Deaf have a church in Ulaanbaatar (capital of Mongolia) called Hope Church.

This is Shirininkov, (in yellow shirt), a Deaf Mongolian Christian watching the Bible translated into Mongolian sign.

IT'S VACCINATION TIME!

Vaccination time

Especially with the change of season as we get closer to winter.

If you feel sick, we ask you to please stay home if possible until you feel better, and let someone know if you need help.

Remember now is the time to get vaccinations against COVID and flu viruses, contact your GP or local chemist to find out more. If you test positive for COVID the government are still asking us to isolate (stay home away from people who do not test positive) for 7 days, let health people know so they can provide you with updates, and help organise support for you.
