Bible Quiz answers

Galatians 2

1 Barabas and Titus went with Paul on his journey.

2 God gave Peter the work of preaching to the Jews and God gave Paul the work of preaching to the non-Jews (Gentiles).

3 When Peter first came to Antioch, he ate and associated with the non-Jewish people. It is against the Jewish law to be with non-Jewish people but Peter (a Jew) did it anyway. Then some Jewish men arrived in Antioch and Peter would not associate with the non-Jewish people any more. Also the Jewish men would not associate with the non-Jewish people. Paul called them a hypocrite because Peter did not want to be seen as being with the non-Jewish people by the Jewish men.

4 There are 2 types of law. Man's law and God's law. Paul lives for God's law. We know that Man's law is not perfect and we know that God's law is perfect. Think of God's law of love your neighbour. I do not think there is a law like that in Man's law.

Terry had an operation on his hand to straighten his finger on 9 July 2024.

He will have it bandaged and in a split for 6 weeks or so
