Bible Quiz answers

Acts 10

1 Cornelius's job an army officer in the "Italian Group" of the Roman Army at Joppa. Cornelius was a gentile (non-Jew).

2 Simon also called Peter, saw a vision from God while praying on the roof, he saw something like a big sheet being lowered to the ground. On the sheet was every kind of animal, animals that walked, crawled and fly in the air. A voice told him to kill the animals and eat them. Peter said he would not because the animals were unclean or unholy. The voice asked 2 more times, and Peter said the same thing 2 more time. Then the sheet was taken back into the sky. Peter did not know what the vision meant at the time.

3 The vision meant that God accepts all people who worship him and does what is right. It is not important where that person comes from.

4 Cornelius's family (relatives) and close friends received the Holy Spirit while Peter was talking to them. The people were then baptised with water in the name of Jesus Christ.

Result - Valentines Glenfield

1 person got back to me about the social idea about going to Valentines Glenfield in Wairau Road, Glenfield.
